P = Accredited for Pharmacists

T = Accredited for Technicians

The target audience is Pharmacists and Pharmacy Technicians

All educational activities are application-based activities.

Educational Objectives

8:00 AM

Update on Hepatitis C: New Drugs, Reactivation of Hepatitis B (P/T)

Anthony Dalpiaz, PharmD

Clinical Pharmacist, University of Utah Hospitals and Clinics

ACPE #: 0167-0000-17-012-L01-P and 0167-0000-17-012-L01-T

Objectives for Pharmacists:

1. Evaluate appropriateness of therapy for treatment of hepatitis C based on specific patient characteristics
2. Compare drug-drug interaction risk profiles for available treatments of hepatitis C
3. Assess a patient's response to treatment of hepatitis C
4. Identify patients at risk of hepatitis B reactivation during treatment of hepatitis C

Objectives for Technicians:

1. Recognize recently approved drugs to treat hepatitis C
 2. Classify available treatments for hepatitis C by mechanism of action
 3. List common adverse reactions associated with newer treatments for hepatitis C
 4. Assess a patient's response to treatment of hepatitis C
-

9:00 AM

Developing a Medication Access Program (P/T)

Scott B. Silverstein, RPh, MS

Pharmacy Services Director, Huntsman Cancer Hospital

Zachary Tolman, CPhT

Medication Access Coordinator Technician II, Supervisor, Huntsman Cancer Hospital

ACPE #: 0167-0000-17-015-L04-P and 0167-0000-17-015-L04-T

Objectives for Pharmacists:

1. List 3 factors that generated the need for a medication access program (MAP)
2. List key components of a MAP
3. Define 3 essential tasks of a pharmacist in the MAP
4. Describe the benefits/value of an effective MAP
5. List 3 parameters you can use to measure the effectiveness of a MAP

Objectives for Technicians:

1. Describe an innovative new role for an advanced technician within a medication access program (MAP)
2. List an essential component of a MAP
3. Define 3 essential tasks of a technician in a MAP
4. Name a benefit of a MAP
5. Indicate a single measure of what makes the MAP successful

10:30 AM

Changing the trajectory of the underperforming learner (P/T)

Nick Lonardo, PharmD, MS

Clinical Coordinator – Surgery, University of Utah Hospital

Wayne Shipley, PharmD, BCPS, BCCCP

Surgical Trauma Critical Care Pharmacist, University of Utah Hospital

ACPE #: 0167-0000-17-013-L04-P and 0167-0000-17-013-L04-T

Objectives for Pharmacists:

1. Identify four student behaviors that characterize the underperforming learner
2. Describe three actions that will help inspire and direct new learners
3. Recognize what it means to tailor a rotation in order to optimize the learners' chances for success
4. Given an example of an underperforming learner, demonstrate the ability to identify learning concerns and discuss ways to help change the learners' trajectory

Objectives for Technicians:

1. Identify four behaviors that characterize the underperforming learner
 2. List three actions that if implemented can help inspire and direct new learners
 3. Explain how a teaching scenario can be tailored to optimize the learners' chances for success
-

11:30 AM

Everyone Plays a Role in Suicide Prevention: What can Pharmacies Do? (P/T)

Kimberly Myers, MSW

Utah Suicide Prevention Coordinator & Utah Division of Substance Abuse and Mental Health

ACPE #: 0167-0000-17-014-L05-P and 0167-0000-17-014-L05-T

Objectives for Pharmacists:

1. Define the scope of the problem of suicide in Utah
2. Differentiate between risk factors, protective factors and warning signs of suicide most relevant to pharmacies
3. Identify effective means reduction strategies for suicide prevention
4. Demonstrate the ability to develop a comprehensive and collaborative safety plan with someone at risk for suicide

Objectives for Technicians:

1. Define the scope of the problem of suicide in Utah
2. List risk factors and warning signs of suicide relevant to pharmacies
3. Identify effective means reduction strategies for suicide prevention
4. Create a comprehensive and collaborative safety plan with someone at risk for suicide

Conference Details

Registration: Registration fees are discounted before March 28th, 2017. To register, complete the registration form and pay by credit card (online only) or send a check to: USHP, PO Box 58356, Salt Lake City, Utah 84158. Space is limited so please register early! Registration fee includes admittance to all programming, exhibits, and group meal functions. Registrations received after the March 28th deadline or on-site are subject to an additional \$25 processing fee.

CE Credit: To obtain up to 4 credits of continuing pharmacy education credit (0.4 CEUs), the participant must attend the conference, check in at the registration desk, complete and turn in the attendance and evaluation forms, and participate in the active learning activities. Attendance forms not turned in on site will not be accepted for credit. A Statement of Credit will be available to the participants within 60 days of the program.

Cancellation Policy: To receive partial or full refund, registrants must contact USHP in writing prior to March 28, 2017. Requests made after March 28th will not be considered.

Exhibits: The exhibit area offers an opportunity to learn about the latest from the pharmaceutical industry. Representatives from pharmaceutical manufacturers, wholesalers and others may be on hand to demonstrate new products and services.

Special Assistance: It is USHP's policy to comply with the American's with Disabilities Act. If you have any special needs or services while attending, please contact USHP no later than March 28, 2017 at ushp@ushp.org.

Parking: Parking is complimentary and is located adjacent to the building. Directions to the facility will be available on the USHP website (www.ushp.org) prior to the conference.

Accommodations: If you need overnight accommodations, please USHP at ushp@ushp.org.

No grant funding has been sought for this educational program

The Utah Society of Health--System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
