

UTAH SOCIETY OF  
HEALTH-SYSTEM PHARMACISTS

October 9, 2018

To whom it may concern:

Utah Society of Health-System Pharmacists (USHP) is pleased to announce the location and date of our Winter CE Event and Business Meeting. The meeting will be held at St. Mark's Hospital in Salt Lake City, Utah on February 9, 2019. It is scheduled to begin at 7 AM, and is expected to end around 12:30 PM.

We invite you to be a part of this exciting educational event as an on-site exhibitor. You will have access to our participants for approximately 50 minutes to one hour during registration beginning at 7:00 AM. Additionally, there will be one break between presentations, where participants will have time to visit and interact with you on a one-on-one basis to ask questions and provide feedback.

We expect around 75 people to attend this meeting. We feel that 10 to 15 vendors will be adequate for the size of this venue. We are offering a rate of only \$500 per booth.

We appreciate your consideration in the USHP Winter CE and Business Meeting event to show your commitment to continuing pharmacy education activities, which significantly enhance the quality and selection of educational offerings to our members. As with all USHP events, we ask that you please follow institution-specific vendor policies when interacting with meeting attendees.

USHP does not support any commercial activity. Our tax ID number is: 94-2684769. Please sign up and pay on our website at [www.USHP.org](http://www.USHP.org)

Or mail \$500 payment to:
